### **Dirtworks, PC Staff Members Achieve LEED Accreditation**

New York, NY – May 29, 2009 – Dirtworks, PC is pleased to announce that several members of its staff have earned LEED Professional Accreditation from the Green Building Certification Institution (GBCI). This designation distinguishes building professionals who possess the knowledge and skills to successfully steward the LEED Certification process.

David Kamp, FASLA, LF and President of Dirtworks states, *“We are extremely proud to see our staff taking an initiative in becoming LEED Accredited Professionals. The LEED principles of environmental health reflect the founding principles of the firm. At Dirtworks, we bring a shared responsibility to educate, communicate and advocate for sustainable design in all our projects.”*

The LEED Accredited Professionals in Dirtworks are:

Tannen Printz, RLA, Senior Associate, LEED AP

Wendy Andringa, Associate, LEED AP

Hans Hesselein, Landscape Designer, LEED AP

Martin Harwood, Landscape Designer, LEED AP

Dirtworks, PC ([www.dirtworks.us](http://www.dirtworks.us)) is an internationally recognized and award-winning landscape architecture firm. Its designs enhance the restorative quality of the natural environment. The firm, founded in 1995 by David Kamp, FASLA, LF, provides clients with the creativity and technical knowledge essential to project design and site planning. Dirtworks, PC provides a full range of professional services with a staff of technically trained and design-oriented landscape architects.
